Our Busy Winter!

Peter McHugh, our trumpet teacher, performed a Holiday concert at Seven Hills Pediatric Center in Groton. Seven Hills is a Pediatric Skilled Nursing Community that provides long-term, continuous skilled nursing care; short-term respite care; and short-term post hospitalization to children and young adults from infancy to age 22, who are profoundly developmentally delayed and have complex medical needs, or who are in need of transitional care after an extended hospitalization.

Congratulations to the Parker Middle School Music Director, **Mr. Eric Linsnor**. He and his wife had a baby girl on Dec. 20th - Vivienne Ann Witts-Linsner!

Got some news that you would like to share?

Let us know if there is something you have to share in our newsletter and we will post your accomplishments so that everyone can share in the news!

Good luck to those participating in The Northeast Junior District on January 18th being held at the Tenney Grammar School in Methuen!

It's never too late to learn something new. Music Elements has 12 adult students! **Pat Quinn** has taken only 5 piano lessons and was able to entertain her family on Christmas Day by playing 2 Carols on piano. A round of applause to Pat!

Our piano student, **Joey Shea**, earned his 1st advancement in Boy Scouts. "Scout" rank. Troop 74. Joey is also a collector of holiday Nutcrackers. He adds one to his collection each year! He and his family got to see The Nutcracker performed by the Boston Ballet this past December!

Thanks to all of you who sent us holiday gifts. We appreciate your kindness through the holiday season!
