The Beat is What Counts~

## We're Proud!

**Hannah Kirstel** is an understudy in the high school musical - "Hairspray" at CHS and has a dance/performing role. If you'd like to speak with her to discuss the specifics - I believe she was one of only two freshman for call backs for a major role and just missed out on a major role, but I think understudy was a huge accomplishment for her!

**Jackie Pottle** was picked by her music teacher for a select chorus event at CHS this month. Jackie is also part of the children's choir at St. Irene's in Carlisle and she'll be singing at mass once a month through May, plus Easter Mass and First Communion. Since the choir is small, she is singing the cantor role in many of the songs in practices.

Got some news that you would like to share?

Let us know if there is something you have to share in our newsletter and we will post your accomplishments so that everyone can share in the news!

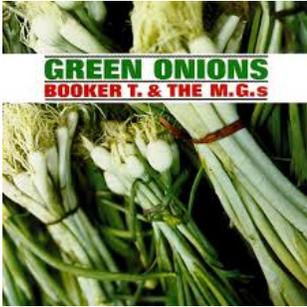

**Nicole McGinty** is keeping active this winter by playing basketball and soccer. She is also a member of her school band, helping out the brass section by playing the saxophone. Nicole also volunteers as a tech crewmember for her school's play, "Annie!"

Speaking of "Annie", **David DeBeaucourt** has a part in the play at his school. Could this be the same production? Check it out!

David's brother, **Justin DeBeaucourt**, is having himself a great school term. When we last spoke, he had all A's and a very respectable B+ in his subjects. Way to go, Justin!

**Nathanial Comerford** is involved in a variety of activities: science, sports, and scouts. He has an interesting project involving density that he is planning to demonstrate at his school's science fair, plays guard on his basketball team, and is working to attain his Wolf Badge in Cub Scouts. When does he sleep?

**Joe Shea** is a piano student at Music Elements currently working on mastering *Green Onions*. He also plays the clarinet and can be found running on soccer fields in the good weather.

Our own **Kyra Lasorsa** holds the position of Vice President of the Theater Club at Mount Wachusett Community College where she is currently working on the choreography for *500 Miles* by The Proclaimers.
